

# Memorandum

Date: July 11, 2007

To: Honorable Chairman Bruno A. Barreiro and Members  
Board of County Commissioners

From: George M. Burgess  
County Manager

Subject: Ordinance approving Loan from the Sunshine State Governmental Financing  
Commission for Various Capital Expenditures

Substitute to

B&F

Agenda Item No. 3B

**This is a substitute item to include the requirement of a TEFRA hearing and to adjust the loan amount in Exhibit A to \$90 million, as follows: the loan for the Public Health Trust will be postponed until next year and the amount needed for Ward Towers needs to be increased by an additional \$ 1.2 million for a total request for Ward Towers at \$3.8 million.**

## **Recommendation**

It is recommended that the Board enact the attached Ordinance approving a loan from the Sunshine State Governmental Financing Commission (Sunshine Commission) and authorizing the execution of the accompanying Loan Agreement (Exhibit "B"). The aggregate principal amount of the loan will not exceed \$135,000,000 (Loan). The Ordinance also delegates to the Finance Director the responsibilities described below with respect to the Loan.

## **Scope**

This Ordinance approves a loan, which proceeds will be used by the County to pay or reimburse the cost of capital equipment and/or constructing capital improvements. The equipment and improvements will provide a countywide benefit.

## **Fiscal Impact/Funding Source**

The fiscal impact and funding source to pay for each of the capital items included in this financing is part of Exhibit A attached to this memorandum. This Loan is secured by the County's covenant to budget and appropriate annually sufficient legally available non ad valorem revenues.

## **Background**

Pursuant to Section 163, Part 1, Florida Statutes, the Sunshine Commission is a legal entity created through interlocal agreements between various municipalities and counties (Governmental Units), including Miami-Dade County. The Sunshine Commission enables participating Governmental Units to benefit from competitive interest rates and the economies of larger scale financing, which may otherwise be unrealized if Governmental Units financed relatively small projects separately. The Sunshine Commission provides a funding mechanism that is currently utilized by many Governmental Units for the acquisition of property, equipment, other capital needs and refunding of higher interest rate debt. Miami-Dade County has taken out several variable rate low-interest Sunshine State loans over the years providing significant capital improvements throughout the County.

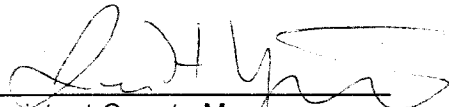

In addition to approving the Loan and the Loan Agreement, the Ordinance delegates to the Finance Director the authority to take all action necessary, including finalizing the details of the Loan and the Loan Agreement and other related certificates, after consultation with the Office of the County Attorney. The initial true interest rate on the Loan shall not exceed 5% per annum. The Loan will be repaid by the designated revenues listed on Exhibit A. In addition, in order to

secure the Loan in the event designated revenues are not sufficient, the County will pledge its covenant to budget and appropriate annually from legally available non-ad valorem County revenues.

A public hearing is being held on this date in connection with the approval of Loan in order to comply with the provisions of Section 147(f) of the Internal Revenue Code of 1986, as amended.

The interest rate on the Loan is a variable rate. Due to the fact that market and financing conditions can fluctuate, it is not possible to present the fully executed Loan Agreement to the Board with the actual terms fully executed in advance of the closing. Therefore, the accompanying Ordinance provides for the waiver of the provisions of Resolution No. R-130-06 requiring that any contracts of the County with third parties be executed and finalized prior to their placement on the committee agenda.

It is anticipated that the Loan will be closed in August/September 2007, therefore we are respectfully asking that the item be waived on to the Board of County Commissioners next scheduled meeting on July 24, 2007.

  
Assistant County Manager

There are no proceedings pending, or to the knowledge of the Governmental Unit threatened, against or affecting the Governmental Unit, except as specifically described in writing to the Commission, the Insurer and the Liquidity Provider, in any court or before any governmental authority or arbitration board or tribunal (i) with respect to any of the transactions contemplated hereby or (ii) that, if adversely determined, would materially and adversely affect the properties, prospects or condition (financial or otherwise) of the Governmental Unit in a manner that will materially adversely affect the ability of the Governmental Unit to make

the payments under this Agreement when and as the same become due and payable or would materially and adversely affect the existence or powers or ability of the Governmental Unit to enter into and perform its obligations under this Agreement.

(d) BORROWING LEGAL AND AUTHORIZED. The execution and delivery of this Agreement and the consummation of the transactions provided for in this Agreement and compliance by the Governmental Unit with the provisions of this Agreement:

(1) are within the powers of the Governmental Unit and have been duly and effectively authorized by all necessary action on the part of the Governmental Unit; and

(2) do not and will not (i) conflict with or result in any material breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Governmental Unit pursuant to any indenture, loan agreement or other agreement or instrument (other than this Agreement), or restriction to which the Governmental Unit is a party or by which the Governmental Unit, its properties or operations may be bound or (ii) with the giving of notice or the passage of time or both, constitute a breach or default or so result in the creation or imposition of any lien, charge, or encumbrance, which breach, default, lien, charge or encumbrance (described in (i) or (ii)) could materially and adversely affect the validity or the enforceability of this Agreement or the Governmental Unit's ability to perform fully its obligations under this Agreement; nor will such action result in any violation of the provisions of the Act, or any laws, ordinances, governmental rules or regulations or court orders to which the Governmental Unit, its properties or operations may be bound.

(e) NO DEFAULTS. No event has occurred and no condition exists that constitutes an Event of Default, or which, upon the execution and delivery of this Agreement and/or the passage of time or giving of notice or both, would constitute an Event of Default. The Governmental Unit is not in violation in any material respect, and has not received notice of any claimed violation (except such violations as (i) heretofore have been specifically disclosed in writing to, and have been, in writing, specifically consented to by the Commission, the Insurer and the Liquidity Provider and (ii) do not, and will not, have any material adverse effect on the ability of the Governmental Unit to perform its obligations hereunder) of any terms of any agreement or other instrument to which it is a party or by which it, its properties or operations may be bound. Furthermore, except with respect to actions taken by the Commission, no event has occurred and no condition exists, to the best of the knowledge of the Governmental Unit, which would adversely affect in any manner, either directly or indirectly, the exclusion from gross income for federal tax purposes of interest on the Notes (other than Taxable Notes).

(f) GOVERNMENTAL CONSENT. The Governmental Unit has obtained, or will obtain all permits, approvals and findings of nonreviewability required by any governmental body or officer for the acquisition and/or installation of the Projects described on Exhibit A hereto, including

construction and renovation work, the financing or refinancing thereof or the reimbursement of the Governmental Unit therefor, or the use of such Projects, and the Governmental Unit will obtain all other such permits, approvals and findings as may be necessary for the foregoing and for the Loan and the proper application of the proceeds thereof; the Governmental Unit has complied with all applicable provisions of law requiring any notification, declaration, filing or registration with any agency or other governmental body or officer in connection with the acquisition or installation of such Projects, including construction and renovation work necessary for such installation, financing or refinancing thereof or reimbursement of the Governmental Unit therefor; and any such acquisition, construction, installation, financing, refinancing or reimbursement contemplated in this Loan Agreement is consistent with, and does not violate or conflict with, the terms of any such agency or other governmental consent, order or other action which is applicable thereto. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental authority is required on the part of the Governmental Unit as a condition to the execution, delivery and performance by the Governmental Unit of this Loan Agreement.

(g) COMPLIANCE WITH LAW. The Governmental Unit is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject and which are material to the execution of this Loan Agreement and the performance by the Governmental Unit of its obligations hereunder, except as has been specifically disclosed in writing to the Commission, the Insurer and the Liquidity Provider.

(h) USE OF PROCEEDS.

(1) The Governmental Unit will apply the proceeds of the Loan solely for the financing, refinancing or reimbursing of itself for the cost of those Projects as set forth in Exhibit A hereto. The Governmental Unit may modify or amend Exhibit A, without the consent of the Commission, to provide for the financing, refinancing or reimbursement of the cost of a different or additional Project if the Governmental Unit, after the date hereof, deems it to not be in the interest of the Governmental Unit to acquire or construct any item of such Project from the proceeds of the Loan or the cost of the Projects described in Exhibit A hereto proves to be less than the amounts listed on Exhibit A hereto. If the Notes issued to fund the Loan are Tax-Exempt Notes, no such amendment will be made unless and until the Governmental Unit shall have given written notice thereof to the Insurer and shall have received an opinion of Bond Counsel that such change or modification will not adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Tax-Exempt Notes.

(2) Items of cost of the Projects which may be financed, refinanced or reimbursed by the Loan include all or any reasonable or necessary direct or indirect costs of or incidental to the acquisition, construction or installation of such Projects, including the incidental costs of placing the same in use and financing expenses but not operating expenses. In addition, in the case of refinancings, accrued interest and any prepayment penalty on the obligation to be refinanced may be included.

(i) NOTICE FROM IRS. The Governmental Unit has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the Governmental Unit is an issuer of obligations whose arbitrage certifications may not be relied upon.

(j) PROJECT. All items constituting the Project described on Exhibit A hereto are as such term is defined in the Act.

(k) COMPLIANCE WITH INTERLOCAL REQUIREMENTS AND INTERLOCAL AGREEMENT. All agreements and transactions provided for herein or contemplated hereby are in full compliance with the terms of the Interlocal Agreement and the Interlocal Act.

(l) ENFORCEABILITY. This Agreement constitutes a legal, valid and binding obligation of the Governmental Unit enforceable against the Governmental Unit in accordance with its terms, except as such enforceability may be limited by bankruptcy, reorganization, insolvency and other similar laws affecting enforceability of creditors' rights generally and to the application of equitable principles if equitable remedies are sought.

(m) ADDITIONAL COVENANTS. At least one hundred and eighty days prior (or as soon as practicable thereafter) to the date that all outstanding amounts of the Loan are due and payable under this Agreement, as described below (the "Final Payment Date"), the Governmental Unit agrees to provide the Trustee and the Insurer with a report of its authorized officer indicating (i) the amounts, other than amounts obtained by incurrence of indebtedness, that will be available for payment of the Loan on the Final Payment Date, and (ii) if such amounts available are insufficient, a plan for obtaining financing for any deficiency. The Final Payment Date with respect to this Loan shall be the last date on which the Governmental Unit is required to make a scheduled Loan Payment hereunder. If financing is so required, arrangements for such financing reasonably satisfactory to the Insurer shall be made by a date no later than 60 days prior to the Final Payment Date. If, for any reason, such arrangements are not made, the Insurer shall have the right, to the extent permitted by law, to direct the Governmental Unit to refinance its obligations through any legally available means, including refinancing through issuance of fixed rate refunding bonds of the Commission payable from a loan agreement of the Governmental Unit on parity herewith and in accordance with the Forward Commitment of the Insurer to the Commission dated \_\_\_\_\_. The Governmental Unit and the Commission agree to fully cooperate and use their best efforts to accomplish any such refinancing.

(n) TAX REGULATORY AGREEMENT; TAX COVENANTS. The Governmental Unit agrees to comply with all provisions of the Tax Regulatory Agreement, including the obligations contained therein to make all required rebate payments to the United States of America. The Governmental Unit agrees that it will not knowingly take any affirmative action or omit to take any action, which action will adversely affect the exclusion from gross income of interest on the Notes or amounts paid under this Loan Agreement for federal income tax purposes and in the event any

such action or omission is discovered by the Governmental Unit or shall be brought to its attention, the Governmental Unit shall, at its sole expense and promptly upon having any such action brought to its attention, take such reasonable actions as may rescind or otherwise negate or cure such action or omission. In furtherance of this covenant, the Governmental Unit, the Commission and the Trustee have entered into the Tax Regulatory Agreement and the representations, warranties and covenants of the Governmental Unit contained therein are hereby incorporated by reference herein.

SECTION 2.02. COVENANTS OF GOVERNMENTAL UNIT. The Governmental Unit makes the following covenants and representations as of the date first above written and such covenants shall continue in full force and effect during the Loan Term:

(a) SECURITY FOR LOAN REPAYMENT. The Governmental Unit covenants and agrees to appropriate in its annual budget, by amendment, if required, and to the extent permitted and in accordance with budgetary procedures provided by the laws of the State, and to pay when due directly to the Trustee for deposit into the appropriate Fund or Account created in the Indenture, sufficient amounts of Non-Ad Valorem Revenues [Pledged Revenues] of the Governmental Unit sufficient to satisfy the obligation of the Governmental Unit to make Loan Payments as required under this Loan Agreement. Such covenant and agreement on the part of the Governmental Unit to budget and appropriate such amounts of Non-Ad Valorem Revenues [Pledged Revenues] shall be cumulative, and shall continue until such Non-Ad Valorem Revenues [Pledged Revenues] in amounts sufficient to make all required payments shall have been budgeted, appropriated and actually paid into the appropriate Fund or Account.

The Governmental Unit further covenants that the Indenture and this Loan Agreement shall be deemed to be entered into for the benefit of the Holders of any of the Notes, the Insurer and the Liquidity Provider and that the obligations of the Governmental Unit to include the amount of any deficiency in each of its annual budgets and to pay such deficiencies from Non-Ad Valorem Revenues [Pledged Revenues] may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein. The obligations of the Governmental Unit pursuant to this Loan Agreement will not constitute a general indebtedness of the Governmental Unit within the meaning of any constitutional or statutory provision or limitation and the Governmental Unit is not obligated to levy any ad valorem taxes for payment therefor. Neither the full faith and credit nor the taxing power of the Governmental Unit, the State of Florida or any political subdivision thereof is pledged to such payment. Such appropriation for interest due under this Loan Agreement shall be based upon an assumed interest rate determined as set forth in Exhibit E hereto. [For payment of its obligations hereunder, the Governmental Unit hereby grants and conveys to the Commission, a lien on the Pledged Revenues, as more fully described in Exhibit E attached hereto.]

[The remainder of Section 2.02(a) is not applicable to a pledge of specific revenues]. The description of the Designated Funds contained in Exhibit E may be amended from time to time with the consent of the Insurer and the Liquidity Provider. Non-Ad Valorem Revenue streams in the Designated Funds shall be established by the approved budget for the period in which the Loan is

funded and cannot be removed from consideration unless an equal or greater expenditure item, acceptable to the Insurer and the Liquidity Provider as being a recurring expenditure, is transferred concurrently. New levies, assessments or significant expansions of existing revenues may be included or excluded from the Designated Funds at the time of enactment by action of the Governmental Unit's governing body. Prior to the refinancing of the Loan through the issuance of fixed rate refunding bonds in accordance with Section 6.02 hereof, the Governmental Unit shall maintain a balance of cash and investments of less than one year maturity in the Designated Funds at least equal to 15% of the outstanding principal balance of the Loan. Verification of such balance by an independent accountant shall be provided to the Insurer and the Liquidity Provider on an annual basis and may be a part of the Governmental Unit's Comprehensive Annual Financial Report.

In the event that such balance is not maintained, the Governmental Unit shall be required to fund a reserve fund for the Loan in an amount (the "Reserve Requirement") equal to the lesser of (a) 10% of the principal amount of the Loan at the time such reserve fund is funded, (b) maximum annual debt service on the Loan, or (c) 125% of average annual debt service, assuming for purposes of the computations in clauses (b) and (c) above, a fixed Loan Rate of 9.2%. Such reserve fund shall be held in a separate account by the Trustee for the benefit of the Commission and shall be invested solely in investment securities that meet the criteria set forth in Exhibit H attached hereto.

Moneys held for the credit of such reserve fund shall be used for the purpose of paying Basic Payments whenever and to the extent that the Basic Payments made by the Governmental Unit pursuant to Section 5.01 hereof, if any, shall be insufficient for such purposes. The Trustee shall give written notice to the Insurer of any such withdrawal from the reserve fund. Any withdrawals from the reserve fund shall be subsequently restored in full within 180 days of such withdrawal. Moneys in the reserve fund in excess of the Reserve Requirement shall be withdrawn and applied on the next succeeding Loan Payment Date by the Trustee as a credit against the amount due and owing pursuant to Section 5.02(a) hereof. Moneys on deposit in the reserve fund if any, shall be valued at market, exclusive of accrued interest, on the last day of each Fiscal Year. To the extent such valuation shows that the amounts on deposit therein shall be less than the Reserve Requirement, such amount shall be restored in full within one year of such valuation in twelve substantially equal installments.

(b) LIENS. The Governmental Unit will not create, incur or suffer to exist any lien, charge or encumbrance on the Non-Ad Valorem Revenues [Pledged Revenues], except as permitted hereunder.

(c) INFORMATION. The chief financial officer of the Governmental Unit shall, at the reasonable request of the Insurer or the Liquidity Provider, discuss the Governmental Unit's financial matters with the Insurer or the Liquidity Provider or its respective designee and provide the Insurer, the Liquidity Provider and the Commission with copies of any documents reasonably requested by the Insurer or the Liquidity Provider or its designee.

(d) EXPENSES. In addition to the payment of obligations otherwise provided for in this Loan Agreement, the Governmental Unit will, upon demand by the Commission, pay all claims for all reasonable costs and expenses whatsoever that the Commission may incur incident to the preparation, execution and delivery of this Loan Agreement, including, but not limited to:

(1) the cost of reproducing this Loan Agreement and other related documents;

(2) the reasonable fees and disbursements of counsel utilized by the Commission, the Insurer, the Liquidity Provider and Bond Counsel;

(3) all other reasonable fees and out-of-pocket expenses of the Trustee (including the reasonable fees and disbursements of counsel retained by the Trustee), the Insurer, the Liquidity Provider, the Issuing and Paying Agent, the Dealer and the Commission in connection with the Loan and the enforcement thereof; and

(4) any taxes in connection with the execution and delivery of this Loan Agreement and any recording and filing fees or stamp taxes relating to the pledge and assignment of the Commission's right, title and interest in and to this Loan Agreement, pursuant to the Indenture and all expenses, including reasonable attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof.

The provisions of this paragraph (d) shall survive the termination of this Loan Agreement and the payment in full of the obligations of the Governmental Unit hereunder.

(e) INDEMNITY. To the full extent permitted under the laws of the State, the Governmental Unit will pay, and will protect, indemnify, save and hold harmless, the Commission, the Insurer, the Liquidity Provider, the Dealer, the Issuing and Paying Agent, the Trustee, each member, officer, commissioner, employee and agent of any of the Commission, the Insurer, the Liquidity Provider, the Dealer, the Issuing and Paying Agent, the Trustee and each person, if any, who has the power, directly or indirectly, to direct or cause the direction of the management and policies of the Commission, the Insurer, the Liquidity Provider, the Dealer, the Issuing and Paying Agent and the Trustee, harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses), suits, claims and judgments of whatsoever kind and nature (including those in any manner directly or indirectly arising or resulting from, out of, or in connection with, any injury to, or death of, any person or any damage to property resulting from the use or operation of any Project) in any manner arising out of any act or failure to act of the Governmental Unit, its successors and assigns, or the agents, contractors, employees, licensees or otherwise of the Governmental Unit or its successors and assigns in connection with, the Projects financed with the proceeds of the Loan, this Loan Agreement, the Indenture or the breach or violation of any agreement, covenant, representation or warranty of the Governmental Unit set forth in this Loan Agreement, the Indenture or any document delivered pursuant hereto or thereto

or in connection herewith or therewith. Such indemnification shall not apply to any actions caused by the negligence or willful misconduct of the party seeking such indemnification.

Such indemnity shall not be restricted in any way by any limitation on the amount or type of damages, compensation or benefits payable under any workers' compensation acts, disability benefit acts, or other employee benefits acts or any other similar laws but may be limited by State law relating to the ability of the Governmental Unit to indemnify parties for the actions of such Governmental Unit, including but not limited to Section 768.28, Florida Statutes.

An indemnified person shall promptly notify the Governmental Unit in writing of any claim or action brought against it, in respect of which indemnity may be sought against the Governmental Unit, setting forth, to the extent reasonably practicable under the circumstances, the particulars of such claim or action, and the Governmental Unit will promptly assume the defense thereof, including the employment of competent counsel satisfactory to such indemnified person and the payment of all expenses.

An indemnified person may employ separate counsel with respect to any such claim or action and participate in the defense thereof, but, except as provided herein, the fees and expenses of such separate counsel shall not be payable by the Governmental Unit unless such employment has been specifically authorized by the Governmental Unit or unless such employment was occasioned by conflicts of interest between and among indemnified persons and/or the Governmental Unit. If the Governmental Unit shall fail to assume the defense of any action as required hereunder, or, within a reasonable time after commencement of such action, to retain counsel reasonably satisfactory to the indemnified person, the fees and expenses of counsel to such indemnified person hereunder shall be paid by the Governmental Unit.

The provisions of this paragraph (e) shall survive the termination of this Loan Agreement.

(f) AMOUNTS OWING TO INSURER. The Governmental Unit agrees to the fullest extent permitted under the laws of the State, to pay on demand all amounts owed by it to the Insurer with respect to the Credit Facility. The provisions of this subparagraph (f) shall survive the termination of this Loan Agreement and the payment in full of the obligations of the Governmental Unit hereunder. The Insurer shall, to the extent it makes payment of a Basic Payment, become subrogated to the rights of the Commission and the Trustee in accordance with the terms and conditions of the Credit Facility.

(g) AMOUNTS OWING UNDER LIQUIDITY FACILITY. The Governmental Unit agrees to the fullest extent permitted under the laws of the State, to pay to the Trustee on demand its Proportionate Share of all amounts owed by the Commission under the Liquidity Facility with respect to the obligations of the Commission under the Liquidity Facility to indemnify the Liquidity Provider, to compensate the Liquidity Provider for increased costs, capital adequacy changes and/or taxes and to pay other amounts to the Liquidity Provider (other than principal and interest, if any,

on Notes purchased by the Liquidity Provider). The provisions of this subparagraph (g) shall survive the termination of this Loan Agreement and the payment in full of the obligations of the Governmental Unit hereunder.

(h) SPECIAL COVENANTS AND FINANCIAL RATIOS. The Governmental Unit shall comply with all special covenants and financial ratios set forth in Exhibit E hereto, at the times and upon the conditions as more fully described in Exhibit E hereto, the terms and provisions of which are incorporated by reference as if fully set forth at length.

(i) FURTHER ASSURANCE. The Governmental Unit shall execute and deliver to the Commission, the Insurer, the Liquidity Provider and the Trustee all such documents and instruments and do all such other acts and things as may be reasonably necessary or required by the Commission, the Insurer, the Liquidity Provider, and the Trustee to enable each of them to exercise and enforce its rights under this Loan Agreement and to realize thereon, and record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be reasonably necessary or required by any of them to validate, preserve and protect its position under this Loan Agreement.

(j) KEEPING OF RECORDS AND BOOKS OF ACCOUNT. The Governmental Unit shall keep or cause to be kept proper records and books of account, in which correct and complete entries will be made in accordance with generally accepted accounting principles, consistently applied (except for changes concurred in by the Governmental Unit's independent auditors) reflecting all of its financial transactions.

(k) PAYMENT OF TAXES, ETC. The Governmental Unit shall pay all taxes, assessments, and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims, which, if unpaid, might become a lien or charge upon any of its properties, provided that it shall not be required to pay any such tax, assessment, charge, levy or claim which is being contested in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(l) COMPLIANCE WITH LAWS, ETC. The Governmental Unit shall comply with the requirements of all applicable laws, including the Act, the terms of all grants, rules, regulations and orders of any governmental authority and the terms of this Agreement and the Interlocal Agreement, non-compliance with which would, singly or in the aggregate, materially adversely affect its business, properties, earnings, prospects or credit in a manner which would materially adversely affect its ability to make the payments under this Agreement when and as the same become due and payable, unless the same shall be contested by it in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(m) INFORMATION REPORTS. The Governmental Unit covenants to provide the Commission with all material and information necessary to enable the Commission to file all reports

required under the Code (including, if required, Form 8038-G) to assure that interest paid by the Commission on the Tax-Exempt Notes shall, for purposes of the federal income tax, be excluded from gross income for federal income tax purposes.

(n) LIMITED OBLIGATIONS. Anything in this Loan Agreement to the contrary notwithstanding, it is understood and agreed that all obligations of the Governmental Unit hereunder shall be payable only from Non-Ad Valorem Revenues required to be budgeted and appropriated [Pledged Revenues] hereunder and nothing herein shall be deemed to pledge ad valorem taxation revenues or to permit or constitute a mortgage or lien upon any assets owned by the Governmental Unit and no Person may compel the levy of ad valorem taxes on real or personal property within the boundaries of the Governmental Unit. The obligations hereunder do not constitute general indebtedness of the Governmental Unit within the meaning of any constitutional, statutory or charter provision or limitation, and neither the Trustee, the Commission, the Insurer, the Liquidity Provider or the Owners shall have the right to compel the exercise of the ad valorem taxing power of the Governmental Unit or taxation of any real or personal property therein for the payment by the Governmental Unit of its obligations hereunder. Notwithstanding any provision of this Loan Agreement to the contrary, this Loan Agreement and the obligations of the Governmental Unit hereunder shall not, except to the extent set forth in Exhibit E to this Loan Agreement, be construed as a limitation on the ability of the Governmental Unit to pledge or covenant to pledge or use all or any portion of said Non-Ad Valorem Revenues [Pledged Revenues] for other legally permissible purposes; provided that Non-Ad Valorem Revenues [Pledged Revenues] shall be available as required hereunder. Notwithstanding any provisions of this Agreement, the Indenture or the Notes to the contrary, the Governmental Unit shall never be obligated to and neither the Commission, the Trustee, the Liquidity Provider or the Insurer may compel the Governmental Unit to exercise ad valorem taxing power for any purpose, including without limitation, to maintain or continue any of the activities of the Governmental Unit which generate user service charges, regulatory fees or any Non-Ad Valorem Revenues [Pledged Revenues]. [Neither this Loan Agreement nor the obligations of the Governmental Unit hereunder shall be construed as a pledge of all or any legally available Non-Ad Valorem Revenues of the Governmental Unit, but shall be payable solely as provided in this Loan Agreement and is subject in all respects to the provisions of Section 129.07, Florida Statutes.] It is the intent of the parties hereto, and they do hereby covenant and agree, that the liability of the Governmental Unit hereunder is a several liability of the Governmental Unit expressly limited to the Loan Payments and the Governmental Unit shall have no joint liability with any other governmental units under any other program of the Commission or the Commission for any of their respective liabilities, except to the extent expressly provided hereunder. The obligation of the Governmental Unit to make such payments from its Non-Ad Valorem Revenues is subject to the availability of money in the treasury of the Governmental Unit and funding requirements for essential public purposes affecting the health, welfare and safety of the inhabitants of the Governmental Unit or which are legally mandated by law; however, such obligation is cumulative and would carry over from Fiscal Year to Fiscal Year.

(o) LITIGATION. The Governmental Unit covenants to provide to the Commission, the Insurer and the Liquidity Provider notice as soon as is reasonably possible of any litigation pending, or to the knowledge of the Governmental Unit threatened, against or affecting the Governmental Unit, in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the properties, prospects or condition (financial or otherwise) of the Governmental Unit in a manner which would adversely affect its ability to make the payments under this Agreement when and as the same become due and payable, or the existence or powers or ability of the Governmental Unit to perform its duties and obligations hereunder.

(p) REPORTS. The Governmental Unit covenants to provide annually to the Commission, the Insurer and the Liquidity Provider audited financial statements and dilution tests as provided by Exhibit E hereof and such other reports, documents or information as the Commission may require.

(q) CONTINUING DISCLOSURE. The Governmental Unit shall, not later than May 1<sup>st</sup> of each year provide to the Commission, an annual report, which is consistent with the requirements of the Continuing Disclosure Certificate as set forth in Exhibit J hereto.

(r) RATINGS. The Governmental Unit covenants to do all things necessary to maintain the minimum ratings established by the Commission and assigned by Moody's Investors Service, or its successor, to the obligations of the Governmental Unit. Further, the Governmental Unit consents to a ratings assessment of the pledged security for the Loan to be performed at least annually by Moody's Investors Service, or its successor, on behalf of the Commission. If for any reason any rating is reduced below the minimum rating criteria of the Commission or withdrawn or if an Event of Default has occurred and is continuing, the Commission has the right without the consent of the Governmental Unit to assign this Loan Agreement to a different series of Notes and a different Liquidity Provider. Following the exercise by the Commission of such right, the Commission shall notify the Governmental Unit thereof and, thereafter, the Liquidity Provider identified in such notice shall be the "Liquidity Provider" as defined in and for all purposes of this Loan Agreement.

## ARTICLE III

### THE LOAN

The Commission hereby agrees to loan to the Governmental Unit and the Governmental Unit hereby agrees to borrow from the Commission the sum of the lesser of (i) \$\_\_\_\_\_ or (ii) such amount loaned from time to time from the Commission to the Governmental Unit as provided on the schedules set forth on Exhibit D attached hereto. The Governmental Unit may request an amount not to exceed \$\_\_\_\_\_ in aggregate to be loaned from time to time by notifying the Commission at least 15 days prior to the expected loan date by submitting the completed and executed Exhibit K to the Commission. The Governmental Unit understands that it will receive, as proceeds of the Loan, a discounted percentage of the stated principal amount of the Loan, i.e., as a result, the amount of the Loan proceeds received by the Governmental Unit will be smaller than the principal amount of such Loan. The discount is equal to the Governmental Unit's Initial Excess Interest Amount (as defined in Section 5.01 hereof), the Operating Reserve Amount and the Governmental Unit's costs incurred in connection with this Loan to be paid by the Trustee, including the premium paid to the Insurer, subject to the terms and conditions contained in this Loan Agreement and in the Indenture to the extent such amount is (i) approved by the Commission, and (ii) approved in writing by the Insurer, the Liquidity Provider and the Trustee. Such advanced amounts shall be used by the Governmental Unit for the purposes of financing or refinancing the cost of, or receiving reimbursement for costs of the Project in accordance with the provisions of this Loan Agreement.

The Governmental Unit shall pay to the order of the Trustee, for the account of the Commission and as assignee of the Commission, all Loan Payments in lawful money of the United States of America. No such Loan Payment shall be in an amount such that the interest on the Loan is in excess of the Maximum Rate. The Loan shall be repaid in Basic Payments consisting of (a) principal in the amounts and on the dates set forth in Exhibit D, and (b) interest calculated at the rate (the "Loan Rate") as provided in Section 5.02 hereof. No later than the fifth Business Day of each month, the Trustee shall give the Governmental Unit notice in writing of the total amount of the Loan Payment which will be due and payable on the next following Loan Payment Date. Any past due Basic Payment which has not been paid by the Loan Payment Date shall be paid, together with interest thereon, at a rate equal to the Loan Rate in effect from time to time plus 2% for the period for which such Basic Payment has not been paid, but not in excess of the Maximum Rate. The Basic Payments and Additional Payments shall be due on each Loan Payment Date, unless the principal amount of the Loan is prepaid, accelerated or forgiven in accordance with the Indenture and in accordance with the provisions hereof.

To the extent that any Loan Payment is made in an amount which is less than the total amount then due and payable, the amount of the Loan Payment made shall be applied first to the payment of Basic Payments and then to the payment of Additional Payments.

With the exception of partial prepayments under Section 6.01, the schedule of Loan Payments attached hereto as Exhibit D may be amended with the prior written consent of the Insurer and the Liquidity Provider; provided, however, any such amendment shall not become effective until the Trustee receives written evidence from S&P, Moody's and Fitch that the ratings then assigned to the Notes by such rating agencies will not be withdrawn or reduced as the result of such amendment. The Governmental Unit may exercise a one-time option to re-amortize the Loan within the parameters set forth in Exhibit G attached hereto on the effective date of the refinancing of this Loan through the issuance of fixed rate refunding bonds pursuant to Section 6.02 hereof, but in no event later than the tenth year from the date hereof or upon reaching the mid-point of the original Loan Term; provided, however, any such amendment shall not become effective until the Trustee receives written evidence from S&P, Moody's and Fitch that the ratings then assigned to

the Notes by such rating agencies will not be withdrawn or reduced as the result of such amendment. In no event shall the scheduled Loan Term exceed 25 years from the date hereof.

SECTION 5.02. CALCULATION OF LOAN RATE. The Commission shall set and from time to time reset the Loan Rate, provided that the Loan Rate shall for each Loan Payment Period shall be a rate which produces an amount of interest at least equal to the amount described in paragraphs (a) and (b) below:

(a) The Governmental Unit's Proportionate Share of the interest and/or Discount, as the case may be, on the Notes (including Notes held by the Liquidity Provider), as the case may be, for the immediately preceding Loan Payment Period;

(b) Any amount necessary to replenish the Initial Excess Interest Amount;

(c) On the Loan Payment Date in \_\_\_\_\_ of each year following the Closing, the Trustee shall apply any portion of the Initial Excess Interest Amount in excess of an amount equal to 52 days of interest at the Maximum Rate on the then outstanding principal amount of the Loan as a credit against the amount due and owing pursuant to paragraph (a) of this Section 5.02; and

(d) To the extent that any of the Initial Excess Interest Amount is applied to pay interest or Discount on the Notes, the Initial Excess Interest Amount shall be replenished from amounts paid pursuant to paragraph (a) or (b) of this Section 5.02 on the immediately succeeding Loan Payment Date.

(e) Interest at the Loan Rate shall be calculated on the same basis as the Note Rate or Discount then in effect.

SECTION 5.03. PAYMENT OF ADDITIONAL PAYMENTS. By execution of this Agreement, the Governmental Unit understands that payments hereunder will include payments in addition to the Basic Payments. Such payments include, but are not limited to certain fees, costs and expenses of the Insurer and the Liquidity Provider, interest on any amounts due the Insurer and the Liquidity Provider, all amounts due and owing by the Governmental Unit pursuant to the Tax Regulatory Agreement and any other amounts incurred by the Governmental Unit. Reference is made to the Liquidity Facility for provisions relating to fees, costs and expenses of the Commission, the provisions of which are incorporated by reference as if fully set forth at length. In addition to Basic Payments, and without limitation of the foregoing provisions of this Section 5.03 or the provisions of Section 2.02(g) hereof, the Governmental Unit agrees to pay on each Loan Payment Date and on demand of the Trustee in the case of a permitted acceleration of the Loan pursuant to the provisions hereof, as the case may be, the Governmental Unit's Proportionate Share of the following fees and the Governmental Unit's Proportionate Share of the following expenses and

other amounts relating to the Notes and the Program to the extent that such items are not costs of issuance paid from the Loan Fund or paid as provided in Sections 2.02(d) and (g):

- (1) the fees and expenses of the Trustee and its counsel owed to it under the Indenture;
- (2) the fees and expenses of the Issuing and Paying Agent and its counsel owed to it under the Indenture and the Issuing and Paying Agency Agreement;
- (3) the fees and expenses of the Dealer owed to it under the Dealer Agreement;
- (4) the fees and expenses of the Liquidity Provider and their counsel owed to them under the Liquidity Facility and any other reasonable fees and expenses in connection with the Liquidity Facility, and to the extent not provided for in Section 5.02(a), the Governmental Unit's Proportionate Share of any other amounts due and owing by the Commission under the Liquidity Facility;
- (5) the expenses of the Commission, including legal fees;
- (6) the rating fees of Moody's, S&P and/or Fitch when necessary;
- (7) such other reasonable fees and expenses in connection with the Notes or this Loan Agreement, all as determined by the Trustee;
- (8) unless the Loan is funded with the proceeds of Taxable Notes, any amounts due and owing with respect to rebate and related costs of compliance thereto;
- (9) any costs of issuance specifically related to the Governmental Unit, whether one-time or ongoing costs.
- (10) any costs of issuance specifically related to the Commission on behalf of the Governmental Unit, whether one-time or ongoing costs and as further described in Exhibit I.

In calculating the amounts to be paid under this Section 5.03 which are dependent upon the principal amount or Face Amount of Notes outstanding, the principal amount or Face Amount of Notes outstanding for purposes of the calculation shall be that amount outstanding on the first day of each calculation period.

Notwithstanding any other provision of Section 5.02 or this Section 5.03, in the event that the Loan is refinanced through the issuance of refunding bonds bearing a fixed interest rate in accordance with Section 6.02 hereof, the Governmental Unit shall not be obligated to pay any of the fees, expenses and costs specified in (2), (3) or (4) above; provided, however, that the Governmental Unit shall remain obligated to pay such fees, expenses and costs to the extent such fees, expenses

and costs accrued prior to the date that the last Note to be paid from the refinancing of this Loan matures.

The Governmental Unit agrees to pay interest at the Loan Rate in effect from time to time plus 2% on any Additional Payments not received by the Trustee on the Loan Payment Date on which the same are due or on the date the principal amount of the Loan is prepaid or accelerated in accordance with the Indenture and this Loan Agreement.

SECTION 5.04. CREDIT FOR INTEREST EARNINGS. Any investment earnings deposited in the subaccount within the General Account created for the deposit of the Governmental Unit's Loan Payments shall be credited on the immediately succeeding Loan Payment Date against the Governmental Unit's obligation to pay interest or Discount on the Notes pursuant to Section 5.02(a) hereof.

SECTION 5.05. LOAN PAYMENTS. The obligation of the Governmental Unit to make payment of Loan Payments or any other amounts required by this Article V and other Sections hereof and to perform and observe the other covenants and agreements contained herein shall be absolute and unconditional in all events except as otherwise expressly provided in this Loan Agreement. Notwithstanding any dispute between the Governmental Unit and the Commission, the Trustee, the Insurer, the Liquidity Provider, the Issuing and Paying Agent, any Owner or any other Person, the Governmental Unit shall make all payments of Loan Payments or any other amounts when due and shall not withhold any Loan Payments or any other amounts pending final resolution of such dispute nor shall the Governmental Unit assert any right of setoff or counterclaim against its obligation to make such payments required under this Loan Agreement. The Governmental Unit's obligation to make payment of Loan Payments or any other amounts during the Loan Term shall not be abated through accident or unforeseen circumstances or because of payment under the Credit Facility securing the Loan. The Commission and the Governmental Unit agree that the Governmental Unit shall bear all risk of damage or destruction in whole or in part to any Project or any part thereof, including without limitation any loss, complete or partial, or interruption in the use, occupancy or operation of such Project, or any manner or thing which for any reason interferes with, prevents or renders burdensome the use or occupancy of the Project or the compliance by the Governmental Unit with any of the terms of this Loan Agreement. Notwithstanding the foregoing, nothing herein shall limit the rights of the Governmental Unit to recover amounts owing to it, except as specifically set forth herein.

SECTION 5.06. INSURER. The Governmental Unit shall pay the premium for the Credit Facility and all other amounts due and owing to the Insurer directly to the Insurer.

### PREPAYMENT OF LOAN PAYMENTS

SECTION 6.01. OPTIONAL PREPAYMENT OF LOAN PAYMENTS. At the option of the Governmental Unit and after giving at least 30 days' written notice by certified or registered mail to the Commission, the Trustee and the Dealer, the Governmental Unit may, at its option, prepay the Loan Payments in whole by paying the then applicable Optional Prepayment Price or in part in integral principal multiples of \$100,000, on any date, not less than 30 and not more than 270 days from the receipt of such notice. Any partial prepayment shall be applied against future principal installments of the Governmental Unit under this Loan Agreement. The resulting amortization schedule due to a partial prepayment shall not require the prior written consent of the Insurer and the Liquidity Provider pursuant to Section 5.01, provided the Commission notifies the Insurer and the Liquidity Provider of such partial prepayment and resulting amortization schedule. After the date on which such prepayment in whole is applied to the payment of Notes, this Loan Agreement shall terminate, except for the obligations and covenants expressed herein to survive. Except as described in Section 6.02 hereof, the Loan may not otherwise be prepaid in whole or in part.

The Loan shall not be deemed to be prepaid in full if for any reason the Optional Prepayment Price cannot be determined.

SECTION 6.02. MANDATORY PREPAYMENT IN CONNECTION WITH LIQUIDITY FACILITY. In the event that the Liquidity Provider has determined not to extend the term of the Liquidity Facility and the Governmental Unit and the Commission are unable to provide an Alternate Liquidity Facility, the Governmental Unit shall prepay the Loan in full by paying the then applicable Optional Prepayment Price on or before a date 60 days prior to the Expiration Date.

The Loan shall be subject to mandatory prepayment in the case of a Liquidity Event and the Liquidity Facility expires prior to the maturity of the Loan.

If the Loan has not been prepaid in full by the date which is 180 days prior to the termination of the Liquidity Facility, or an Alternate Liquidity Facility has not been obtained, the Commission and the Governmental Unit shall present to the Insurer a plan to issue fixed rate refunding bonds, the proceeds of which would be loaned to the Governmental Unit and used to prepay the Loan Agreement and retire the related Notes

Upon the occurrence of a Liquidity Event, the Governmental Unit hereby covenants to pay a rate of interest which is at least equal to the Liquidity Rate (as that term is defined in the Liquidity Facility).

In either case, failure to prepay the Loan in full within the relevant time period shall not constitute an Event of Default hereunder; provided, however, that the Commission, the Insurer or Liquidity Provider shall have the right to pursue any and all remedies, other than acceleration of the Loan, provided by law to which the Commission, the Insurer or the Liquidity Provider is entitled in order to enforce performance by the Governmental Unit of this provision.

SECTION 6.03. APPLICATION OF INITIAL EXCESS INTEREST AMOUNT. If following a prepayment and prior to the date such prepayment is used to pay Notes, the amount of the Optional Prepayment Price and the investment earnings thereon are insufficient to pay any amounts to become due and owing hereunder until the date this Loan Agreement terminates, the Trustee shall apply the Initial Excess Interest Amount as needed to pay interest or Discount on the Notes. If the Optional Prepayment Price and the investment earnings thereon are in excess of such amount, any excess amount and any remaining portion of the Initial Excess Interest Amount shall be credited to the Governmental Unit following termination of this Loan Agreement.

### ASSIGNMENT AND PAYMENT BY THIRD PARTIES

#### SECTION 7.01. ASSIGNMENT BY COMMISSION.

(a) This Loan Agreement and the obligations of the Governmental Unit to make payments hereunder, may be assigned and reassigned in whole or in part to one or more assignees or subassignees at any time subsequent to its execution without the necessity of obtaining the consent of the Governmental Unit. The Governmental Unit expressly acknowledges that this Loan Agreement and the obligations of the Governmental Unit to make payments hereunder (with the exception of certain of the Commission rights to indemnification, fees and expenses), have been pledged and assigned to the Trustee as security for the Notes and for amounts which may be due and owing to the Insurer and the Liquidity Provider, and that the Trustee or the Insurer shall be entitled to act hereunder and thereunder in the place and stead of the Commission whether or not the Notes are in default. Notwithstanding the foregoing, no such assignment or reassignment may be made except to a successor Trustee.

(b) The Commission hereby agrees that, following the occurrence of an Event of Default under this Loan Agreement, acceleration of the amounts due hereunder and payment by the Insurer of the accelerated amount, the Commission will cause the Trustee to assign to the Insurer all of the Trustee's rights under this Loan Agreement.

(c) The Governmental Unit hereby consents to any assignment of this Loan Agreement described in this Section 7.01.

SECTION 7.02. ASSIGNMENT BY GOVERNMENTAL UNIT. This Loan Agreement may not be assigned by the Governmental Unit for any reason without the express prior written consent of the Commission, the Liquidity Provider, the Insurer and the Trustee.

SECTION 7.03. PAYMENTS BY INSURER. The Governmental Unit acknowledges that payment under this Loan Agreement from funds received by the Trustee from the Insurer does not constitute payment under this Loan Agreement for the purposes hereof or fulfillment of its obligations hereunder.

### EVENTS OF DEFAULT AND REMEDIES

SECTION 8.01. EVENTS OF DEFAULT DEFINED. The following shall be "Events of Default" under this Loan Agreement and the terms "Event of Default" and "Default" shall mean (except where the context clearly indicates otherwise), whenever they are used in this Loan Agreement, any one or more of the following events:

(a) (1) With the exception of amounts required to be paid under Section 5.03(4) hereof, failure by the Governmental Unit to timely pay any Loan Payment or any other payment required to be paid hereunder on the date on which it is due and payable; and (2) failure by the Governmental Unit to timely pay amounts required to be paid under Section 5.03(4) hereof on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement for a period of not less than thirty (30) days, after notice thereof to the Governmental Unit by the Trustee, the Commission or the Insurer, unless the Trustee, the Commission and the Insurer shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Commission, the Trustee or the Insurer, the Commission, the Trustee and the Insurer will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected;

(c) Any warranty, representation or other statement by the Governmental Unit or by an officer or agent of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement, was false or misleading in any material respect when made;

(d) The Governmental Unit or the Legislature of the State shall terminate the corporate existence of the Governmental Unit unless, in the opinion of the Commission, adequate provision is made by law for the obligations of the Governmental Unit hereunder;

(e) Any provision of this Agreement material to the performance of the obligations of the Governmental Unit hereunder shall at any time for any reason cease to be valid and binding on the Governmental Unit or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by the Governmental Unit (provided nothing herein shall be construed to limit the right of the Governmental Unit to judicially determine if it is permitted by law to make indemnity arising under subsection 2.02(e) hereof) or the Governmental Unit shall deny that it has any or further liability or obligation hereunder;

(f) A petition is filed against the Governmental Unit under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within 60 days of such filing;

(g) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law;

(h) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including without limitation a receiver, liquidator or trustee) of the Governmental Unit or any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than 60 days;

(i) An "Event of Default" of the Commission under the Indenture shall have occurred. As used in this subparagraph (i), an "Event of Default" shall only include Events of Default of the Commission not caused solely by a default of another Governmental Unit;

(j) The Governmental Unit shall be in default in the payment of any principal of or interest on any obligation for borrowed money or for the deferred purchase price of any property or asset (unless the failure to make payment of such deferred purchase price is consequent upon a contest or negotiation being diligently pursued) or on any obligation guaranteed by the Governmental Unit or in respect of which it is otherwise contingently liable beyond any period of grace stated with respect thereto in any such obligation or in any agreement under which any such obligation is created, or shall default in the performance of any agreement under which any such obligation is created if the effect of such default is to cause such obligation to become, or to permit any holder or beneficiary thereof, or a trustee or trustee on behalf thereof, with notice if required, to declare such obligation to be, due prior to its normal maturity, and any of the foregoing may (in the reasonable judgment of the Commission, the Trustee or the Insurer) have a material adverse effect on the ability of the Governmental Unit to perform its obligations hereunder. Notwithstanding the foregoing sentence, in order to constitute an "Event of Default" hereunder, any such amount must be for an amount in excess of \$1,000,000 or the debt or the obligation of the Governmental Unit must have been accelerated and be considered due and payable.

SECTION 8.02. NOTICE OF DEFAULT. The Governmental Unit agrees to give the Trustee, the Insurer and the Commission prompt written notice if any petition, assignment, appointment or possession referred to in Section 8.01(d), 8.01(f), 8.01(g) and 8.01(h) is filed by or against the Governmental Unit or of the occurrence of any other event or condition which constitutes a Default or an Event of Default; or with the passage of time or the giving of notice would constitute an Event

of Default, immediately upon becoming aware of the existence thereof. The Trustee shall also give immediate notice to the Insurer and the Liquidity Provider of an Event of Default hereunder.

SECTION 8.03. REMEDIES ON DEFAULT. Whenever any Event of Default referred to in Section 8.01 hereof (other than an Event of Default described in Section 8.01(a)(2) hereof) shall have happened and be continuing, (i) the Commission or the Trustee, but only with the written consent of the Insurer, or (ii) the Insurer shall, in addition to any other remedies herein or by law provided, have the right, at its or their option without any further demand or notice, to take such steps and exercise such remedies as provided in Section 7.02 of the Indenture, and, without limitation, one or more of the following:

(a) Declare all Loan Payments of the Governmental Unit, in an amount equal to the Optional Prepayment Price applicable on the date of payment, and all other amounts due hereunder, to be immediately due and payable, and upon notice to the Governmental Unit the same shall become immediately due and payable by the Governmental Unit without further notice or demand. No such acceleration shall occur without the prior written consent of the Insurer.

(b) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due hereunder or to enforce any other of its or their rights hereunder.

Whenever any Event of Default referred to in Section 8.01(a)(2) hereof shall have happened and be continuing, the Liquidity Provider shall, in addition to any other remedies herein or by law provided, have the right, at its option without any further demand or notice, to take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder. The foregoing provisions shall not be construed to limit any right of the Liquidity Provider to exercise any other rights it may have under this Agreement or at law or in equity; provided, however, that the Liquidity Provider shall have no right to accelerate the Loan.

SECTION 8.04. ATTORNEYS' FEES AND OTHER EXPENSES. The Governmental Unit shall, on demand, pay to the Commission, the Trustee, the Liquidity Provider, and the Insurer, the reasonable fees and expenses of attorneys and other reasonable expenses incurred by any of them in the collection of Loan Payments or any other sums due or the enforcement of performance of any other obligations of the Governmental Unit hereunder upon an Event of Default. The provisions of this Section 8.04 shall survive the termination of this Loan Agreement and the payment in full of the Governmental Unit's obligations hereunder.

SECTION 8.05. NO REMEDY EXCLUSIVE; WAIVER, NOTICE. No remedy herein conferred upon or reserved to the Commission, the Insurer, the Liquidity Provider or the Trustee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power or shall be construed to be a

waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Commission, the Insurer, the Liquidity Provider or the Trustee to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice other than such notice as may be required in this Article VIII.

SECTION 8.06. BOND INSURANCE GENERALLY. Payments with respect to Basic Payments disbursed by the Insurer from proceeds of the Credit Facility shall not be considered to discharge the obligation of the Governmental Unit as set forth in Section 5.02 hereof, and the Insurer shall become subrogated to the rights of the Commission and the Trustee in accordance with the tenor of the assignment made to it under the provisions of this Section or otherwise. Irrespective of whether any such assignment is executed and delivered, the Commission and the Trustee hereby agree for the benefit of the Insurer that they recognize that to the extent the Insurer makes payments on account of Basic Payments, the Insurer will be subrogated to the rights of the Commission and the Trustee to receive the amount of such Basic Payments from the Governmental Unit, with interest thereon as provided in Section 5.01 hereof, and will otherwise treat the Insurer as the owner thereof of such rights to receive the amount of such Basic Payments.

All amounts received under the Credit Facility shall be used solely for the payment of Basic Payments.

Notwithstanding any other provision hereof, so long as the Insurer is not in default under the Credit Facility, the Trustee shall not exercise any power hereunder, which is otherwise wholly within its discretion, to advance the normal maturity of the Loan or to exercise any other remedy available to it hereunder following an Event of Default without the prior written approval of the Insurer. The Trustee shall waive an Event of Default hereunder only upon the written direction of the Insurer.

EXHIBIT C

FORM OF OPINION OF GOVERNMENTAL UNIT'S COUNSEL

[Letterhead of Counsel to Governmental Unit]

[Date of the Closing]

Sunshine State Governmental Financing  
Commission  
Tallahassee, Florida

[Liquidity Provider]

[Insurer]

Gentlemen:

We are counsel to [Insert Name of Borrower] (the "Governmental Unit"), and have been requested by the Governmental Unit to give this opinion in connection with the loan by the Sunshine State Governmental Financing Commission (the "Commission") to the Governmental Unit of funds to finance all or a portion of the cost of certain projects (the "Projects") as defined in, and as described in Exhibit A of the Loan Agreement, dated as of the date hereof (the "Loan Agreement"), between the Commission and the Governmental Unit.

In this connection, we have reviewed such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, including applicable laws, and resolutions adopted by the governing body of the Governmental Unit, the Loan Agreement, and a Trust Indenture dated as of August 1, 2005 (the "Indenture") between the

Commission and Bankers Trust Company, as trustee (the "Trustee"). Based on such review, and such other considerations of law and fact as we believe to be relevant, we are of the opinion that:

(a) The Governmental Unit is a political subdivision duly organized and existing under the laws of the State of Florida. The Governmental Unit has the legal right and all requisite power and authority to enter into the Loan Agreement and to consummate the transactions contemplated thereby and otherwise to carry on its activities and own its property.

(b) The Governmental Unit has power to enter into the Loan Agreement and to purchase or construct the Project and/or receive reimbursement for the costs of the acquisition or construction thereof and/or refinance the indebtedness to be refinanced with the proceeds of the loan and has been duly authorized to execute and deliver the Loan Agreement and to purchase or construct the Project and/or receive reimbursement for the costs of the acquisition or construction thereof and/or refinance the indebtedness to be refinanced with the proceeds of the loan under the terms and provisions of a resolution of its Governing Body.

(c) The Governmental Unit has duly authorized, executed and delivered the Loan Agreement and the Loan Agreement (including, but not limited to the terms and provisions of Section 2.02(a) thereof) constitutes a legal, valid and binding obligation of the Governmental Unit enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, reorganization, insolvency and other similar laws affecting enforceability of creditors' rights generally and to the application of equitable principles if equitable remedies are sought. [The Governmental Unit is authorized to and has lawfully granted a lien upon and pledge of the Pledged Revenues for the payment of all amounts to be paid by the Governmental Unit under the Loan Agreement.] [The foregoing notwithstanding, the covenant to budget and appropriate as contained in Section 2.02(a) of the Loan does not create any lien upon or pledge of the Non-Ad Valorem Revenues superior to claims of general creditors of the Governmental Unit determined and liquidated as to amount prior to the time an appropriated amount is deposited in the Funds and Accounts created pursuant to the Indenture nor does it preclude the Governmental Unit from pledging in the future its Non-Ad Valorem Revenues, to the extent the Governmental Unit is in compliance with the provisions of Exhibit E to the Loan Agreement; nor does it require the Governmental Unit to levy and collect any particular Non-Ad Valorem Revenues. However, the covenant to budget and appropriate in its general annual budget for the purposes and in the manner stated in the Loan Agreement, has the effect of making available for the payment of the obligations of the Governmental Unit the Non-Ad Valorem Revenues of the Governmental Unit placed in such Funds and Accounts and placing on the Governmental Unit a positive duty to appropriate and budget, by amendment, if necessary, amounts sufficient to meet its obligations under its Loan Agreement; subject, however, in all respects to the restrictions of Section 129.07, Florida Statutes, which makes it unlawful for any county to expend moneys not appropriated and in excess of such county's current budgeted revenues. The obligation of the Governmental Unit to make such payments from its Non-Ad Valorem Revenues is subject to the availability of money in the treasury of the Governmental Unit and funding requirements for essential services of the

Governmental Unit; however, such obligation is cumulative and would carry over from Fiscal Year to Fiscal Year.]

(d) Neither the execution and delivery of the Loan Agreement, the consummation of the transactions contemplated thereby, the purchase or construction of the Project or the reimbursement for costs of the acquisition or construction thereof or the refinancing of the indebtedness to be refinanced with the proceeds of the loan nor the fulfillment of or compliance with the terms and conditions of the Loan Agreement conflicts with or results in a breach of or default under any of the terms, conditions or provisions of any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Governmental Unit is now a party or it or its properties is otherwise subject or bound, and the Governmental Unit is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Agreement.

(e) There is no litigation or legal or governmental action, proceeding, inquiry or investigation pending or, to the best of our knowledge, threatened by governmental authorities or to which the Governmental Unit is a party or of which any property of the Governmental Unit is subject, which has not been disclosed in writing to the Commission, or to the Insurer which would individually or in the aggregate (i) materially and adversely affect the validity or the enforceability of the Loan Agreement or (ii) otherwise materially adversely affect the ability of the Governmental Unit to comply with its obligations under the Loan Agreement or the transactions contemplated by such documents or (iii) materially and adversely affect the properties, prospects or condition (financial or otherwise) of the Governmental Unit or the corporate existence of the Governmental Unit.

Very truly yours,

EXHIBIT D

SCHEDULE OF LOAN PAYMENTS

1

Principal  
Amount

Interest shall be due and payable at the times and in amounts set forth in Section 5.01 and 5.02 of the Loan Agreement.

[For a pledge of specific revenues, Exhibit E will vary to include definition of "Pledged Revenues" and incorporate other specific revenue covenants]

## EXHIBIT E

### SPECIAL COVENANTS AND FINANCIAL RATIOS

Pursuant to Section 2.02(a) hereof, the Governmental Unit has covenanted and agreed to budget and appropriate in its annual budget, by amendment, if required, and to pay when due directly to the Trustee for deposit into the appropriate Fund or Account created in the Indenture, sufficient amounts of Non-Ad Valorem Revenues of the Governmental Unit or other legally available funds sufficient to satisfy the Loan Payment as required hereunder. The amount budgeted and appropriated for interest due hereunder shall be based upon an assumed interest rate equal to (i) the greater of 120% of (a) the average rate of interest borne by the Loan for the 12-month period ending \_\_\_\_\_ (or if the Loan has not been outstanding for such period, for such period as the Loan has been outstanding) or (b) the interest rate borne by the Notes for the monthly period ending in \_\_\_\_\_ of such year or (ii) such lower rate as may be approved in writing by the Insurer and the Liquidity Provider and filed with the Commission and the Governmental Unit.

The obligation of the Governmental Unit pursuant to Section 2.02(a) includes an obligation to make amendments to the budget of the Governmental Unit to assure compliance with the terms and provisions thereof. If during any monthly period the Loan Rate (if continued until the end of the Fiscal Year) would cause the total remaining Loan Payments to exceed the amounts budgeted for such purposes, the Government Unit covenants and agrees to analyze the estimated average Loan Rate for the next four (4) weeks. If by the end of such four-week period, the Loan Rate (if continued until the end of the Fiscal Year) would cause the total remaining Loan Payments to exceed the amounts budgeted for such purposes the Governmental Unit will initiate all necessary procedures to amend its budget. The assumed interest rate used in such budget amendment will be based upon 120% of the highest average monthly Loan Rate during the past three Loan Payment Periods.

### ADDITIONAL DEBT

As certified in the Anti-Dilution Certificate, attached hereto, the Governmental Unit may incur additional debt secured by all or a portion of the Non-Ad Valorem Revenues only if the total amount of Non-Ad Valorem Revenues for the prior fiscal year were at least 2.00 times the maximum annual debt service of all debt (including all long-term financial obligations appearing on the Governmental Unit's most recent audited financial statements and the debt proposed to be incurred) to be paid from Non-Ad Valorem Revenues (collectively, "Debt"), including any Debt payable from one or several specific revenue sources.

For purposes of calculating maximum annual debt service if the terms of the Debt are such that interest thereon for any future period of time is to be calculated at a rate which is not then susceptible of precise determination ("Variable Rate Debt"), interest on such Variable Rate Debt shall be computed as follows:

(a) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is less than or equal to 25% of the principal amount of all Debt (including the Debt proposed to be incurred), an interest rate equal to the higher of 12% per annum or The Bond Buyer 40 Index shall be assumed; or

(b) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is more than 25% of the principal amount of all Debt (including the Debt proposed to be incurred), the maximum rate which could be borne by such Variable Rate Debt shall be assumed.

For purposes of calculating maximum annual debt service, the Loan shall be assumed to amortize in up to 20 years on a level debt service basis. In the event that the Governmental Unit is required to fund a reserve fund, the funding of such reserve fund shall be included in the calculation of debt service.

#### DESIGNATED FUND

For purposes of this Loan Agreement, Designated Fund shall mean the General Fund, special revenue funds, the capital project funds, the special assessment funds and the expendable trust funds of the Governmental Unit.

## ANTI-DILUTION CERTIFICATE

I, [Name], the undersigned, [Title], of the [Governmental Unit], hereby certify in connection with the Sunshine State Governmental Financing Commission Tax-Exempt Commercial Paper Revenue Notes (Miami-Dade County Program) that:

1. The total amount of Non-Ad Valorem Revenues for the prior fiscal year were at least 2.00 times the maximum annual debt service of all debt (including all long-term financial obligations appearing on the Governmental Unit's most recent audited financial statements and the debt proposed to be incurred) to be paid from Non-Ad Valorem Revenues (collectively, "Debt"), including Debt payable from one or several specific revenue sources.
2. The calculation and supporting schedules, attached hereto, are true and correct.
3. All undefined terms shall have the meaning set forth in the Loan Agreement between the Sunshine State Governmental Financing Commission and [Governmental Unit] dated \_\_\_\_\_, \_\_\_\_.

If the Governmental Unit chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Governmental Unit shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 9. DEFAULT. In the event of a failure of the Governmental Unit to comply with any provision of this Disclosure Certificate, the Issuer may take such actions as may be necessary

and appropriate, including seeking mandate or specific performance by court order, to cause the Governmental Unit to comply with its obligations under this Disclosure Certificate; provided, however, the sole remedy under this Disclosure Certificate in the event of any failure of the Governmental Unit to comply with the provisions of this Disclosure Certificate shall be an action to compel performance.
